

# The Behavior Change Masterclass

## Schedule

Welcome to The Behavior Change Masterclass. The Behavior Change Masterclass will take place from January 13 - 23. I know you are busy and have a million things to juggle. Videos will be shared every few days to give you a chance to watch at your own pace. Join us for the FB lives to get your questions answered and get access to bonus training. FB Lives will be saved for you to watch later.

### Monday 1/13: Video 1

#### The Behavior Change Mindset

The first item on the checklist is you. Let's set the stage for positive behavior change by moving towards a growth mindset and investigating the role you play in your students' behaviors.

### Wednesday 1/15: Video 2

#### The Starve It and Replace It Framework

This proactive and evidence based framework helps you identify the missing skills at play during your students' problem behaviors.

### Tuesday 1/21: Video 3

#### What's Data Got To Do With It?

A behavior plan comes from a series of decisions. Ensure that those decisions are based in data and facts not opinions and assumptions. In this video, learn easy yet impactful data strategies. Also, download two of our favorite data sheets for free!

### Thursday 1/23: Video 4

#### Next Steps for Behavior Change Transformation

Once positive behavior change happens, what are you going to do next? Let's create a plan together on how to continue to move your classroom forward.
